

ARTICLE XV. BLASTING

Sec. 18-400. Notice

(a) Any person using explosives who conducts blasting in the City that is required to provide notice to an appropriate City representative and fire protection official pursuant to section 319.342, Revised Statutes of Missouri, shall provide such notice to the Director of the City Planning and Development Department, or the Directors designee, at City Hall and to the Fire Chief, or the Chiefs designee.

(b) Notice shall be given at least two business days in advance of blasting in writing or by telephone.

(c) The notice required by this section shall state the name, address, and telephone number of the person using explosives, the name of the individual responsible for supervision of blasting, the blasters license or registration number, if applicable, the policy number and claims contact information for their general liability insurance, the date and approximate period over which blasting will be conducted, the location of blasting by street address, route, or other description, and the nature of the project or reason for blasting.

(d) If blasting will be conducted at an ongoing project, such as a long term construction project, or at a permanent site, such as a surface mine, the person using explosives shall only be required to make one notice to the Director of the City Planning and Development Department and to the Fire Chief in advance of the first use of explosives.

(e) No notice is required to be given for ongoing projects or permanent sites in existence at the time of the effective date of this ordinance.

(f) A fee in the amount of \$259.00 shall be assessed by City Planning & Development to cover processing and recording-keeping of the notice.

(g) The city manager shall have the authority to adjust the fees listed above, except Sections 18-20 (b)(2) and 18-20 (b)(3), to reflect the change in the consumer price index (all items/all urban consumers/Kansas City, Missouri Kansas) published by the United States Department of Labor, Bureau of Labor Statistics. The adjustments, if any, shall be made annually by the city manager in conjunction with the adoption of the annual budget of the city by filing a notice with the city clerk.

Section 3. Pursuant to Section 67.280, Revised Statutes of Missouri, the Council finds that at least three copies of this proposed amendment to a technical code was filed with the City Clerk and made available for public use, inspection, and examination at least 90 days prior to the adoption of this ordinance.
